"But it is the manner of enforcement which gives Title 42 U.S.C. 1983, its unique importance, for the enforcement is placed in the hands of the people." Each Citizen "acts as a private attorney general who takes on the mantle of the sovereign, guarding for all of us the individual liberties enunciated in the constitution". Section 1983 represents a balancing feature in our governmental structure whereby individual Citizens are encouraged to **police the named Defendants participating in the corporation(s)** of the several corporation(s) through which Defendants operate.

# **ASSEVERATION AND DECLARATION OF STATUS MEANS:**

**Asseveration.** An affirmation; a positive assertion; a solemn declaration. This word is seldom, if ever, used for a declaration made under Oath, but denotes a declaration accompanied with solemnity or an appeal to conscience, whereas by oath one appeals to God-Allah as a witness of the truth of what one says.

**Declaration.** In common-law pleading, the first of the pleadings on the part of the plaintiff in an action at law, being a formal and methodical specification of the facts and circumstances constituting his cause or action. It commonly comprises several sections or divisions, called "counts", and its formal parts follow each other in this general order: Title, Venue, Commencement, Cause of Action, Counts, Conclusion. The declaration, at common-law, answers to the "libel" in ecclesiastical and admiralty law, the "Bill" in equity, the "Petition" in civil law, the "Complaint" in code and rule pleading, and the "Count" in real actions.

In law of evidence, an unsworn statement or narration of facts made to the party to the transaction, or by one who has an interest in the existence of the facts recounted.

**Status.** Standing; state or condition; social position. The legal relation of the individual [inhabitant] to the rest of the community. The rights, duties, capacities and incapacities, which determine a person [Citizen] to a given class. A legal personal relationship, not temporary in its nature nor terminable at the mere will of the parties, with which third parties and the state are concerned. While term implies relation it is not a mere relation.

The following definitions apply to the instrument to which it is attached and all subsequent process thereto. Unless the context clearly requires otherwise, the following definitions are incorporated by reference in, and apply to, the pleadings and/or process to which these definitions are attached, and all subsequent process therein.

**AGENCY.** The relation created by express or implied contract or by law, whereby one party delegates the transmission of some lawful business with more or less discretionary power to another, who undertakes to manage the affairs and render an account to the party that delegated the authority.

**ALL.** Means everything one has: the whole number, totality, including both all and sundry, total entity, everyone, each, and everything taken into account, and everything else, without restriction.

**ALTER EGO.** [L: literally, another I] 1. A second self. 2. An inseparable friend. ACED.

**AMERICAN.** One of the sovereign living people, possessing and entitled to the enjoyment of all the rights, privileges and immunities enumerated or un-enumerated in the United States Constitution; Natural Free Born; untouched by any man or his influences of civilization, and is the opposite of artificial, not subject to legal constraints of another, having power to follow the dictates of one's own free will. The term "American" is synonymous with "Inhabitant" and the term "American" does not include the terms "Person, Ens Legis Entity, Whoever, State citizen, State resident" or "Individual".

**APPELLATION.** [*Appellat o, onis, f. accosting; appeal; calling by name; name, title; pronunciation. Burt's Latin-English Dictionary, 1926.*] [a. Fr. *Appellation* (13<sup>th</sup> c., ad. L. *appellation-em*, of action f. *appellare* <to accost, \*address, call upon>...) L. *Appealing, appeal* [from O.Fr. *apeler*.] *Obs.* 1. The action of appealing to a
